MULTI-PAGE LABELS

Usability and convenience to convey information.

MULTI-PAGE LABELS.

Today, communicating with the consumer is an essential requirement.

Often the space on the packaging is not enough.
The Aro Group responds to this need with a multi-page label, which provides additional space to communicate instructions for use, warnings, legislative references, product and company information. It is the ideal medium for providing messages in several languages or for a promotional use, including with the supply of gadgets.
These labels can fit all types of surface, whether flat or curved. The multi-page labels offered by the Aro group include:
- coupons: self-adhesive labels, which may consist of up to 3 overlapping layers, with the option of printing on the front and back of each layer. They can be large, medium or small, depending on the intended use.
- folded multi-page: multi-page with a leaflet folded like an accordion and fixed to an adhesive base, they may be removable or have a clear foldable cover.
- booklet: multi-page and bound like a book, it is useful when many pages are necessary.
