THERMAL PAPER ROLLS FOR CASH REGISTERS

Reliability every day.

THERMAL PAPER ROLLS FOR CASH REGISTERS.

Cash registers are among the most widely used devices in the large-scale retail trade and therefore represent indispensable working tools.
Managing every activity in a simple way and avoiding troubles is fundamental.
That is why even simple products like cash register rolls must be reliable and convenient.

The Aro Group's thermal paper rolls for cash registers provide excellent performance, are user-friendly, are made of fully customizable neutral or printed thermal paper and can be overprinted with variable data.
